Alex Sparrow and the Really Big Stink

Act 2 Activity Sheet
Diary Entry

Poor Bob had a traumatic time in the PALS suite aquarium!

Write a diary entry, from Bob's perspective, about his time in the fish tank. Describe the tank and the other fish and outline the things that happened to him while he was in there. Remember to put yourself in his fins and think about how he would have felt. Bob is used to having his neat and ordered tank to himself – being in that environment would have been overwhelming. Use lots of feeling words and choose your verbs carefully, to try to make the reader understand his experience.

Remember to use a diary layout, with the date at the top of the page, and write in paragraphs.
